A Message From Scott

Dear Bethany Family,
As we press into the journey of Hope Rising, I want to take a moment to say thank you. Your generosity is fueling ministry across all six Bethany locations—making it possible for adults, youth, and children to worship, grow in faith, build relationships, and serve in ways shaped by each location's unique context. God is at work in our community, and your investment is helping people encounter Him in powerful and personal ways.

This vision—Vision 2030—calls us to be the church not just for today, but for the next generation. Through Hope Rising, we are strengthening ministries that shape lives across all our locations while also expanding our reach both locally and globally. Together, we're investing in future ministry leaders, creating a permanent home for Bethany North, deepening our presence among college students, and continuing to serve vulnerable neighbors in Seattle and around the world.

We're doing this together through a One Fund—so every gift fuels the full breadth of our ministry. This isn't just for a few—it's for all of us who call Bethany home. Our hope is 100% engagement. If you've already joined in, thank you. If you haven't yet, we need you! This is a defining moment for our church, and it will take all of us to live into the future God is calling us toward. Let's keep building. Let's keep trusting. Let's keep rising in hope—together.

Thriving Communities

STRENGTHENING MARRIAGES, BUILDING COMMUNITY

354 adults and 80 kids joined us for Bethany's Marriage Conference—a weekend of growth and connection. Many couples experienced healing and renewal during worship and prayer, sparking deeper relationships and next steps like counseling and care.

REVIVING REFUGEE RESETTLEMENT

Our refugee resettlement ministry is back! Two new Good Neighbor Teams are preparing to support arriving refugee families. We're also launching a new partnership with World Relief at the US/Mexico border to provide shelter and critical care to vulnerable migrants.

Future Generations

CONSTRUCTION BEGINS ON THE NORTH BUILDING

We've hit a major milestone—construction on the new North building began May 27! This permanent space will serve future generations in the North community and beyond, with move-in expected in early 2026.
